*This training summit is for law enforcement officials and those working directly with law enforcement. Those without governmental contact information will be vetted by the IHIA board to determine eligibility.** Department credentials will be required at check-in. Individuals who do not have issued department credentials should contact us directly prior to arrival. **

The IHIA will be in the capital city of Canada (Ottawa, Ontario) for our fourth iteration of the DNA & Genealogy Summit. This two-and-a-half day training event will include foundational, practical, and region-specific information on how to practice FIGG in the law enforcement profession.

CASE STUDIES:

- Gary Srery Serial Killer Investigation
- April Tinsley Homicide Investigation
- Nation River Lady Homicide Investigation
- Guylaine Potvin Homicide Investigation
- Yvonne Leroux Homicide Investigation
- Ibrahim Ali Arrest: Investigations, DNA Collection, And Public Perception

HOT TOPIC PANEL DISCUSSIONS:

- Creating And Operating A FIGG Unit
- Legal, Privacy, Prosecutorial Concerns: Comparing US And Canada Differences
- Lab Accreditation Considerations

Participating Agency:
