# ABOUT IHIA

The International Homicide Investigators Association (IHIA) was founded during a 1988 Violent Crime Apprehension Program (ViCAP) Conference sponsored by the FBI in Quantico, Virginia. This Symposium is a valuable opportunity to network with law enforcement representatives from the United States and other global countries.

With representatives in **every U.S. state and nations on six continents**, the membership includes highly respected death and homicide investigators, criminal behaviorists, forensic scientists, crime scene technicians, crime and intelligence analysts, prosecutors, and others, many of whom are considered among the foremost experts in their respective fields and disciplines.

This Symposium provides state of the art training to attendees. It is an excellent opportunity for you, the supplier, to interface directly with these professionals. We would be honored if you would support the organization by exhibiting, advertising or sponsoring the IHIA's 32nd Annual Symposium in New Orleans, LA on August 9-13, 2026.

2026 ESTIMATED ATTENDEES: 450

# EXPO DRIVER SCAVENGER HUNT & GIVEAWAYS

By registering to exhibit, you will automatically be entered into the Expo Driver Scavenger Hunt. This activity encourages attendees to visit exhibitor booths and discuss your products and services. As part of this, you will need to donate a giveaway valued at \$100 or more.

Providing a giveaway ensures your company is recognized during the Giveaway Presentation. Without a giveaway, your company will not be featured in the Expo Prize Giveaway. Please note, you must be present on Tuesday afternoon during the Symposium to present your giveaway.

**Please note:** Any raffles conducted outside of the IHIA Expo Scavenger Hunt should be organized independently and should not utilize IHIA's time or resources. If you choose to host your own raffle, please note that you will still be required to participate in the IHIA Expo Scavenger Hunt. *The winners of the IHIA Expo Scavenger Hunt raffle will be selected by the IHIA using the official Expo Driver Card.*
